the New York Times proclaimed on page one, "Pluto Not a Planet? Only in New York." Immediately, the public, professionals, and press were choosing sides over Pluto's planethood. Pluto is entrenched in our cultural and emotional view of the cosmos, and Neil deGrasse Tyson, award-winning author and director of the Rose Center, is on a quest to discover why. He stood at the heart of the controversy over Pluto's demotion, and consequently Plutophiles have freely shared their opinions with him, including endless hate mail from third-graders. With his inimitable wit, Tyson delivers a minihistory

Life on the Mississippi (1883) is a memoir by Mark Twain of his days as a steamboat pilot on the Mississippi River before the American Civil War. It is also a travel book, recounting his trip along the Mississippi River from St. Louis to New Orleans many years after the war. The book begins with a brief history of the river as reported by Europeans and Americans, beginning with the Spanish explorer Hernando de Soto in 1542. It continues with anecdotes of Twain's training

as a steamboat pilot, as the 'cub' (apprentice) of an experienced pilot, Horace E. Bixby. He describes, with great affection, the science of navigating the ever-changing Mississippi River in a section that was first published in 1876, entitled "Old Times on the Mississippi". Although Twain was actually 21 when he began his training, he uses artistic license to make himself seem somewhat younger, referring to himself as a "fledgling" and a "boy" who "ran away from home" to seek his fortune on the river, and playing up his own callowness and naïveté.

Spring and All (1923) is a book of poems by William Carlos Williams. Predominately known as a poet, Williams frequently pushed the limits of prose style throughout his works, often comprised of a seamless blend of both forms of writing. In Spring and All, the closest thing to a manifesto he wrote, Williams addresses the nature of his modern poetics which not only pursues a particularly American idiom, but attempts to capture the relationship between language and the world it describes. Part essay, part poem, Spring and All is a landmark of American literature from a poet whose daring search for the outer

limits of life both redefined and expanded the meaning of language itself. "There is a constant barrier between the reader and his consciousness of immediate contact with the world. If there is an ocean it is here." In *Spring and All*, Williams identifies the incomprehensible nature of consciousness as the single most important subject of poetry. Accused of being "heartless" and "cruel," of producing "positively repellent" works of art in order to "make fun of humanity," Williams doesn't so much defend himself as dig in his heels. His poetry is addressed "[t]o the imagination" itself; it seeks to break down

the "the barrier between sense and the vaporous fringe which distracts the attention from its agonized approaches to the moment." When he states that "so much depends / upon // a red wheel / barrow," he refers to the need to understand the nature of language, which keeps us in touch with the world. With a beautifully designed cover and professionally typeset manuscript, this edition of William Carlos Williams' *Spring and All* is a classic of American literature reimagined for modern readers.

by Edgar Allan Poe. Edgar Allan Poe (born Edgar Poe; January 19, 1809 - October 7, 1849) was an American author, poet, editor, and literary critic, considered part of the American Romantic Movement. Best known for his tales of mystery and the macabre, Poe was one of the earliest American practitioners of the short story, and is generally considered the inventor of the detective fiction genre. He is further credited with contributing to the emerging genre of science fiction. He was the first well-known American writer to try to earn a living through writing alone, resulting in a financially difficult life and

career. Born in Boston, he was the second child of two actors. His father abandoned the family in 1810, and his mother died the following year. Thus orphaned, the child was taken in by John and Frances Allan, of Richmond, Virginia. Although they never formally adopted him, Poe was with them well into young adulthood. Tension developed later as John Allan and Edgar repeatedly clashed over debts, including those incurred by gambling, and the cost of secondary education for the young man. Poe attended the University of Virginia for one semester but left due to lack of money. Poe quarreled with

Allan over the funds for his education and enlisted in the Army in 1827 under an assumed name. It was at this time his publishing career began, albeit humbly, with an anonymous collection of poems, *Tamerlane and Other Poems* (1827), credited only to "a Bostonian." With the death of Frances Allan in 1829, Poe and Allan reached a temporary rapprochement. Later failing as an officer's cadet at West Point and declaring a firm wish to be a poet and writer, Poe parted ways with John Allan. Poe switched his focus to prose and spent the next several years working for literary journals and periodicals, becoming
