Bently & Egg | Rakuten Kobo Australia

A true luminary and creative spirit, William Joyce has put his personal stamp in children's books. He's back at Anderson's to share his re-issued titles, Bently and Egg, Dinosaur Bob and His Adventures with the Family Lizardo and A Day With Wilbur Robinson. On film and television, Joyce has made a name for himself as well.

A singing frog reluctantly babysits a duck egg in this sweetly hilarious picture book from the brilliant mind that brought you The Fantastic Flying Books of Mr. Morris Lessmore. While egg-sitting for his friend Kack Kack the duck, Bently Hopperton the frog is so bored that he cannot resist painting the egg's shell. But when the decorated egg is mistaken for an Easter egg and is egg-napped, Bently discovers that he has in fact, grown terrifically fond of that ole egg. Can he rescue the egg before it's too late? An homage to fatherhood, and the appreciation of swell art.

The Important Books takes a look at some of the most significant and talked about authors, illustrators, and titles in the genre, including Maurice Sendak, Margaret Wise Brown, William Joyce, and Chris Van Allsburg. While focusing on those books that are distinguished by some degree of originality in both word and image, the author points out that the importance of picture books is not primarily pedagogical!they are not intended to serve as "dumbed down" versions of young adult or adult novels!and the audience for these great books is not solely children. Because the children's picture book is designed to provide the context for an intimate transaction involving the imaginations of both parent and child, there is a social value to the form that lends a special poignancy to the pleasure it provides.

This wonderful resource from two authors with an infectious enthusiasm for children's literature will help readers select and share quality books for and with young children. Specifically focused on infants through the third grade, Sharing the Journey contains descriptive book annotations, instructive commentary, and creative teaching activities tailored for those important years. Extensive book lists throughout will help readers build a library of quality children's literature. Books representing other cultures are included to help celebrate diversity as well as cultural connection. Genre chapters include poetry, fantasy, and realistic and historical fiction. A chapter on informational books demonstrates how young children can be introduced to, and learn to enjoy, nonfiction.

Whether used for thematic story times, program and curriculum planning, readers' advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. || Offers easy subject access to children's picture books || Features a user-friendly organization || Provides in-depth indexing and full bibliographic detail

Saving Shakespeares! Bacon. A thrilling Tudor mystery of romance, intrigue and immortality. An exposé of mystery and intrigue links the power politics of today directly to the seamy spy rings of Queen Elizabeth 1st. Told through the eyes of Mrs G, an American women of today she seeks to uncover the truth of the death of the man she loves. The story reveals the tale of one of the world's best known men whose rightful claim to the thrones of England and America has been concealed until this day. From Washington to London to Paris and the castles of the Templars, Mrs G has only weeks in which to decrypt clues from the distant past of the Kaballah and the bloodline of Christ himself. As she delves into a world of mysticism she exposes modern science to criticism in its suppression of a superior occult intelligence known only to those who have ruled the world down the Centuries, as they still do today.

Features autobiographical vignettes by popular children's authors and offers more than eight hundred short articles covering every aspect of children's books, their themes, and their creators
