the US-led international order, relations between Russia and China remain at their core as brittle and prone to mutual suspicion and distrust as they have in the past. It is not unreasonable to expect that that underlying animosity will erupt into violence in the relatively near future.

Expect a War Between Russia and China in the 2020s  
Both had to deal with the steppe nomads, Russia from the south and China from the northwest. Russia became a northern neighbor of China when in 1582–1643 Russian adventurers made themselves masters of the Siberian forests. There were three points of contact: 1) south to the Amur River basin (early), 2) east along the southern edge of Siberia toward Peking (the main axis) and 3) in Turkestan
