CORE is an excellent book if you want to know more about how economics is relevant in everyday life. It tackles the fundamentals, but also the issues that we are interested in like the global financial crisis." - Adam Nadzri, second year student, University College London

CORE - Economics for a changing world

With this new edition, Eric Chiang transforms CoreMicroeconomics into a text/media resource well attuned to today's students. Long active in the economics education community, Chiang brings a contemporary teacher's perspective to the book, supporting a variety of learning approaches by introducing modern topics, new pedagogy, a more visual presentation, and well-integrated media tools.
