We've often wondered why anchoring, one of the most common and important acts of cruising, is often done so cluelessly. One reason might be the stodgy and impenetrable tomes that have been written on the subject over the years. Thankfully, this isn't one of them. Happy Hooking the Art of Anchoring is well organized, well illustrated, user friendly in its delivery, and even fun authors Alex and Daria Blackwell even tell you the proper way to organize one of those round sunflower ...

"Happy Hooking - The Art of Anchoring" is a very readable book on boat anchoring. It is loaded with valuable information on anchoring tackle, anchoring technique, tying up and rafting, anchoring etiquette, as well as the occasional anecdote - simply stated a must have for any boater or sailor The second expanded edition of "Happy Hooking - the Art of Anchoring" features: More gear More photos More illustrations More independent reviews Experience from both sides of the Atlantic Personal anecdotes based on many thousands of miles of sailing and countless times anchoring Unless you are far offshore, at some point or another you are going to need to 'park' your boat. Just like knowing how to stop your car before you start is perhaps the most important part of driving, we feel that anchoring is perhaps the most important skill you can and should acquire in boating. Anchoring a boat can be a lovely dance in a harbor, or a painful and often embarrassing display of Homo sapiens' inability to plan or communicate. We will endeavor to help you find a combination of tackle and technique best suited for your circumstances when anchoring your vessel. By outlining how different anchors work, the pluses and minuses of different adjunctive pieces of equipment, the current thinking about how to deploy this equipment, and how to select an anchorage, we hope you will be armed with enough information to make some informed decisions about what might work best for you. If you could take only one piece of advice from these pages with you on your travels, perhaps you will remember what Tommy Moran, an old salt in the West of Ireland, advised time and again: "Anchor as though you plan to stay for weeks, even if you intend to leave in an hour." "Happy Hooking " EDITORIAL REVIEWS: Ocean Cruising Club "The definitive textbook on the subject." Cruising Club of America ""Happy Hooking" is well organized, well illustrated, and easy to read. It should be mandatory reading for novice sailors and charter operators would do well to place copies throughout their fleet. This would be an excellent gift to up-and-coming boaters." Captain John Jamieson, Author of Skipper Tips and Seamanship Secrets "The single most important guide to anchoring for the modern sailor of the 21st century. Easy to read and

Download Free Happy Hooking The Art Of Anchoring

filled with super clear illustrations and drawings. Add "Happy Hooking-The Art of Anchoring" to your onboard list of "must have guides" for safe anchoring-whenever in the world you choose to cruise "SailWorld.com "Might be compulsory reading for the new sailor. Even the most experienced will find much new material here." Latitudes & Attitudes Seafaring "This is the bible for all things anchoring." Irish Cruising Club "It is hard to imagine a more comprehensive study of the topic. This is a remarkably easy book to read."

A lively introduction to the art of crochet brings together detailed, step-by-step instructions, tips on tools and materials, fundamental techniques, and an array of creative designs and projects that are perfect for beginning needleworkers. Simultaneous.

If something as subtle as the flutter of a butterfly's wing can ultimately cause a typhoon halfway around the world, what might follow from devastation like that of 9/11? THE ATROCITY. . . Jason Geraghty lost his beloved wife on 9/11. To Jason's grief-stricken mind, her work at the World Trade Center for a secret US Government agency meant America was to blame AND AMERICA WOULD HAVE TO PAY! THE REVENGE. . . An apocalypse so simple in its conception and so overwhelming in its annihilation that it will destroy the United States of America once and for all! Unless, of course, Jack O'D can intervene in time... The Butterfly Effect □Is an addictive page turner□ □Once you pick it up you'll find it hard to put down□

Book publishing has changed radically in the past decade. Self-publishing, the alternative to the traditional route, was previously an expensive option. With print-on-demand technology and online digital marketing, the up-front costs are no longer prohibitive. Getting a book published is now something everyone can achieve. Self-Publishing for Success will introduce you to the options available to you in today's publishing world, explaining what may or may not work for you as an author. You will also learn what you need to know to successfully self-publish your work. This book is for: - Anyone who has an idea for a book, fiction or non-fiction, a poetry collection, a family history, a biography, or a short story collection. - Anyone who has been turned down or disappointed by traditional publishers or literary agencies. - Anyone who has finished a novel and is uncertain what the next steps are in getting it into the hands of a reader. - Anyone who is an instructor or specialist and have been asked about further reading Alex Blackwell has worked his way through all of these scenarios. He has also been a book printer and has self-published several of his own fiction and non-fiction books. What you will learn: > Options available to you in today's publishing world. > Instructions on how to correctly set up your book for self-publishing. > Step by step guides on how to successfully self-publish your work. > Direction on marketing and promoting your book. and much more... Yes, your work deserves to be published and is worthy of being read. Yes, you can find an audience. And yes, you do have options to successfully create your masterpiece.

Hook-up culture is bigger than ever, but few of us are getting exactly what we want. in this straightforward guide, Aussie escort Georgie Wolf offers practical strategies for casual sex and online dating. She shows how communication, consent, and connection can put you ahead of the competition at every stage of the hook-up process.

A Word of Welcome to Europe's Most Precious GemThe Wild West of the Emerald IsleFor the adventurous at heart, the wanderer, trailblazer, or artist, this is the place to go, see, and experience life. Bring some time and stay a while, you will never regret it - guaranteed. Whether by land or by sea, visiting Wild Atlantic Way along the coastline of the west of Ireland will reconnect you with nature and with your inner self.The experience of looking out to sea from land, in to shore from the sea, down into the ocean from above, or up to the surface from below, is unparalleled anywhere else in Europe - or anywhere else in the world for that matter. It is a small wonder that Ireland is known as the Land of the

Bards and Poets. The west coast is the prime destination for hiking, biking, sailing and all manner of boating or water based activities. It has bred and nurtured poets, writers, musicians, and artists of all types. The power of the Wild Atlantic Ocean, the Majesty of the mountains that come down to the sea, the colours, the moods, they have all spawned and inspired generations of artists and writers of many nationalities. Sports enthusiasts thrive here. The fresh sea air energises their lungs, while the pristine wild coast provides challenges, excitement and above all, beauty. So join us as we cruise along, see, and above all, experience the Wild Atlantic Way

My name is Onyx and this is my story. I wrote it for the Little People, Big People, and even Non-People. I hope you all like it. I was born sometime in August, no one knows exactly when. My mother's People came back from their holidays to find five kittens, all girls, frolicking under the porch. They got to work calling all their friends and soon found loving homes for all of them... all but one that is. That one was moi...Onyx. No one wanted me because I was all black. All the People who came to see me thought I was a magic cat, and they were afraid. I didn't like them either and chose to stay with my mother. Then one day a She-ple who was really different came. She spoke about a dream she had had about a black kitten named Onyx. My name is Onyx, and I am black. Now that was interesting. I looked her over and liked her straight away. She was different. I could feel her. She was meant to be mine, so I adopted her on the spot. And so it was meant to be that I came to live with the People Blackwell. I, Onyx Blackwell, was going to be a cruising kitty, and I was going to see the world in a boat. Excuse me if I take a nap while you are reading.

How did you first learn about sex? If you grew up in the 1970s, it may have been from a gleefully lusty tour guide named Xaviera Hollander. In the late 1960s -- that era of sexual chaos, when Playboy Clubs and love-ins were competing for national attention -- a beautiful, intelligent young Dutch secretary named Xaviera de Vries moved to New York, grew swiftly tired of her desk job . . . and soon became the most visible and glamorous madam the city had ever seen. As Xaviera Hollander, she published a shockingly candid account of her life behind the brothel door. The Happy Hooker shot straight to the top of the bestseller lists, sold more than fifteen million copies, and made this enterprising young woman an international phenomenon. Thirty years later, these delightfully explicit tales of the '60s and '70s swingers' scene -- including countless jaw-dropping stories of lesbianism, bondage, fetishism, and more -- remain as titillating as ever, charged with the mix of shrewd observation and uninhibited appetite that made Hollander an irresistible storyteller. The Happy Hooker is a classic: the world's greatest book on the world's oldest profession.

The rules: no kissing on the mouth, no staying the night, no telling anyone, and above all -- No falling in love. Anna Jones just wants to finish college and figure out her life. Falling for star quarterback Drew Baylor is certainly not on her to do list. Confident and charming, he lives in the limelight and is way too gorgeous for his own good. If only she could ignore his heated stares and stop thinking about doing hot and dirty things with him. Easy right? Too bad he's committed to making her break every rule -- Football has been good to Drew. It's given him recognition, two National Championships, and the Heisman. But what he really craves is sexy yet prickly Anna Jones. Her cutting humor and blatant disregard for his fame turns him on like nothing else. But there's one problem: she's shut him down. Completely. That is until a chance encounter leads to the hottest sex of their lives, along with the possibility of something great. Unfortunately, Anna wants it to remain a hook up. Now it's up to Drew to tempt her with more: more sex, more satisfaction, more time with him. Until she's truly hooked. It's a good thing Drew knows all about winning. All's fair in love and football -- Game on.
