While it's inevitable that all of us will traumatize our children, even the most committed parents have lacked guidance to do so deliberately and effectively. Whether you want to traumatise your kids the same way your parents used to or use a different approach, this book shows you the way.

Popular actress and stand-up comedienne Elizabeth Beckwith gives us the parenting guide to end all parenting guides: *Raising the Perfect Child through Guilt and Manipulation*. A frequent guest on *The Late, Late Show* and one of seven comics featured in the *Time* magazine article, "Funny: The Next Generation," Beckwith now puts forth a hilarious new parenting philosophy that would shock Dr. Spock and traumatize T. Berry Brazelton. *Raising the Perfect Child through Guilt and Manipulation* is a riotously irreverent take on contemporary child rearing.

science project kit! This fascinating and hands-on guide shows you how to re-create landmark scientific studies on cognitive, motor, language, and behavioral development—using your own bundle of joy as the research subject. Simple, engaging, and fun for both baby and parent, each project sheds light on how your baby is acquiring new skills—everything from recognizing faces, voices, and shapes to understanding new words, learning to walk, and even distinguishing between right and wrong. Whether your little research subject is a newborn, a few months old, or a toddler, these simple, surprising projects will help you see the world through your baby’s eyes—and discover ways to strengthen newly acquired skills during your everyday interactions.

Now in 15 languages. Understand the different types of upsets and traumas your child may experience—and learn how to teach them how to be resilient, confident, and even joyful. The number of anxious, depressed, hyperactive and withdrawn children is staggering—and still growing! Millions have experienced bullying, violence (real or in the media), abuse or sexual molestation. Many other kids have been traumatized from more “ordinary” ordeals such as terrifying medical procedures, accidents, loss and divorce. Trauma-Proofing Your Kids sends a lifeline to parents who wonder how they can help their

worried and troubled children now. It offers simple but powerful tools to keep children safe from danger and to help them “bounce back” after feeling scared and overwhelmed. No longer will kids have to be passive prey to predators or the innocent victims of life’s circumstances. In addition to arming parents with priceless protective strategies, best-selling authors Dr. Peter A. Levine and Maggie Kline offer an antidote to trauma and a recipe for creating resilient kids no matter what misfortune has besieged them. Trauma-Proofing Your Kids is a treasure trove of simple-to-follow “stress-busting,” boundary-setting, sensory/motor-awareness activities that counteract trauma’s effect on a child’s body, mind and spirit. Including a chapter on how to navigate the inevitable difficulties that arise during the various ages and stages of development, this ground-breaking book simplifies an often mystifying and complex subject, empowering parents to raise truly confident and joyful kids despite stressful and turbulent times.
