I Am #11: Walt Disney is a young reader's history of Walt Disney. It tells the story of Walt Disney in 128 pages from his birth to his death. There are illustrations and pictures. I used to read a series of early readers called Step Up Books from Random House in which different historical figures were featured (my favorite was Meet George Washington).

I am the creator of Mickey Mouse. I am Walt Disney. As a child, I had a wild imagination and a great curiosity. As I grew up, I used those qualities to become a cartoonist. Eventually, I turned these drawings into films and began my own animation business. One of my characters, Mickey Mouse, became so popular that movie theaters sold out and I won an Academy Award. After pursuing a career as a film producer, director, screenwriter, voice actor, entrepreneur and entertainer, I added developer to my resume when I created Disneyland amusement park. I became tremendously successful and beloved by children of all ages because of my belief that even the impossible is possible. I am Walt Disney. To this day, Walt Disney's characters remain some of the most recognizable images in the world. With books, TV shows, films, and amusement parks devoted to his creations, the Walt Disney name lives on. Learn all about this remarkable man's fascinating life in Scholastic's biography series, I AM.

"A biography of Walt Disney with a focus on his work making dreams come true for himself and for generations of children"--

WINNER OF THE SILVER BENJAMIN FRANKLIN AWARD FOR JUVENILE NONFICTION You have probably heard the word Disney before. Come on, who hasn't? You've seen Disney movies, watched Disney TV shows, and maybe even visited Disneyland or Walt Disney World. Did you know there were two brothers with the last name of Disney who created this entertainment empire? Walt and Roy Disney built the world's most popular theme parks and brought to life some of the best-known cartoon characters in family entertainment. The story of their lives is a wonderful tale of hard work, determination, and cooperation. While this book is primarily about Walt Disney, his story can't be properly told without including his older brother Roy and the strong bond between siblings that propelled them to worldwide fame and fortune. Illustrations throughout this biography help tell the story of how two farm boys from the Midwest went on to build one of the world's most successful entertainment companies.

Walt Disney always loved to entertain people. Often it got him into trouble. Once he painted pictures with tar on the side of his family's white house. His family was poor, and the happiest time of his childhood was spent living on a farm in Missouri. His affection for small-town life is reflected in Disneyland Main Streets around the world. With black-and-white illustrations throughout, this biography reveals the man behind the magic. This book is not authorized, licensed or endorsed by the Walt Disney Company or any affiliate.

I created the Star Wars franchise. I am George Lucas. Learn all about this remarkable man, whose accomplishments are truly inspiring, in the continuation of the I AM series. I AM GEORGE LUCAS will follow one man's journey to become the most famous filmmaker in the world. Discover everything you wanted to know about this celebrated movie guru and creator of Star Wars. This book will feature a full-color illustrated cover, one-color illustrations throughout, a detailed time line, introductions to other notable people from the story, sidebars, and a top-ten list of important things to know about George Lucas.

Anyone who has ever walked through the gates at a Disney Park knows that there is a magical experience waiting to be had on the other side. All of the telltale signs are there: the sound of joyful music pipes across the promenade; the smells of popcorn and cookies waft through the air; and the colorful attraction posters depict all the wonderful rides and shows created for Guests by the Imagineers. Poster Art of the Disney Parks is a tribute to those posters, which begin telling the story of each attraction even before Guests have entered the queue area. Disney attraction posters have been an important means of communication since Disneyland began displaying them in 1956. Not only are they eye-catching pieces of artwork that adorn the Parks with flair and style, they are also displayed to build excitement and disseminate information about the newest additions to the Disney landscape. When the first attraction posters made their debut at Disneyland, one such piece of art proclaimed that Guests could have a "true-life adventure" on the Jungle Cruise. And in 2012 at Disney California Adventure, a poster announced the grand opening of Cars Land—the newest thrill-filled destination at the Disneyland Resort. Both of those posters are reproduced within this book, along with posters from every decade in between. As evidenced by the evolution of the attraction posters, art styles and design techniques have certainly changed over the years. These characteristics also differ from continent to continent. Posters from Tokyo Disneyland, Disneyland Paris, and Hong Kong Disneyland exhibit the nuances in presentation that give each Park's pantheon of posters its signature look. But while artistic interpretations and color palettes may vary from Park to Park and from year to year, the spirit of Disney storytelling is a constant that ties them all together.

Documents the stunning accomplishments of Disney's imaginative genius. It is not a flattering portrait. Library Journal

How to Be Like is a "character biography" series: biographies that also draw out important lessons from the life of their subjects. In this new book—by far the most exhaustive in the series—Pat Williams tackles one of the most influential people in recent history. While many recent biographies of Walt Disney have reveled in the negative, this book takes an honest but positive look at the man behind the myth. For the first time, the book pulls together all the various strands of Disney's life into one straightforward, easy-to-read tale of imagination, perseverance, and optimism. Far from a preachy or oppressive tome, this book scrapes away the minutiae to capture the true magic of a brilliant maverick. Key Features This is for the millions of Disney fans—those who admire his artistry or his business savvy or the products of his namesake company. The tone and style of the book will capture the imagination of younger readers, especially teens, in the same way as How to Be Like Mike. Support within the Disney world includes the daughter and grandson of Walt Disney; nephew and former vice chairman Roy Disney; and numerous Disney insiders who are already spreading the word.

Walt Disney's name is synonymous with family entertainment. Mickey Mouse, Snow White and the Seven Dwarfs, Bambi, Disneyland, and numerous other creations have inspired generations of children the world over. From his childhood in rural Missouri to his legendary stature as a film and television icon, Walt governed his life with imagination, ingenuity, and scrupulous attention to detail. Faced with both public failures and massive success, he revolutionized the art form of animation, always seeking innovative solutions, cutting edge technology, and new ways of storytelling. Devoted to perfection, Walt was not always easy to work with, but no one can deny his profound talent and impact. Charting Walt's progression from farm boy to actor to artist, animator, director, and entertainment celebrity, Walt's own words are presented and contextualized within Doreen Rappaport's signature compelling prose. Illustrated with vivid authenticity by animator/painter John Pomeroy, this stunning entry in the award-winning Big Words series reveals a man of deep and varied passions with a constantly evolving vision, and a storyteller above all.
