The aim of this book, with its superb step by step photographs and detailed diagrams is to enable every owner to understand the workings of an outboard motor (2 or 4 stroke) and be able to fix it with relative ease. It includes: an explanation of the different parts that make up the engine and how they interact; how fuel is transformed into propulsion; regular maintenance and repair worksheets to help even the most mechanically ignorant to work on their outboard engine with confidence; the most common causes of breakdown; troubleshooting tables to allow you to diagnose and fix the most common engine problems and advice on how to winterize your outboard in one short afternoon. After reading this book, your outboard will no longer be a potential bother to you but an ally for better boating.

Written by an expert dog whisperer and dog owner, the Kelpie Complete Owner's Manual has the answers you may need when researching this tireless herding breed. Learn about this highly energetic, very smart, purebred and find out whether or not this outstanding working dog will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Kelpie 's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a Kelpie, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Pros and Cons - Vital statistics - Before you buy - Choosing the right dog - Finding a breeder - Puppy proofing your home - The first weeks - Health and common health problems - Medical care & safety - Daily care - Feeding - Bad treats and snacks - Good treats and snacks - House training - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog and much more.

SELOC Marine maintenance and repair manuals offer the most comprehensive, authoritative information available for outboard, inboard, stern-drive and diesel engines, as well as personal watercraft. SELOC has been the leading source of how-to information for the marine industry since 1974. Designed and written to serve the needs of the professional mechanic, do-it-yourself boat enthusiast, instructor and student, these manuals are based on actual teardowns done by Chilton Marine's editors/authors in our on-site facility. Providing complete coverage on everything from basic maintenance to engine overhaul, every manual features: -Simple-to-follow, step-by-step, illustrated procedures -Hundreds of exploded drawings, photographs and tables -Troubleshooting sections, accurate specifications and wiring diagrams -Recognized and used by technical trade schools as well as the U.S. military Covers all 2-60 Hp, 1 and 2-cylinder models, 2-stroke models. Over 1,180 illustrations

General information, timing, maintenance, ignition, trim and tilt, remote control, fuel injection and other topics about outboards.

The International Space Station (ISS) is a great international, technological, and political achievement. It is the latest step in humankind's quest to explore and live in space. The research done on the ISS may advance our knowledge in various areas of science, enable us to improve life on this planet, and give us the experience and increased understanding that can eventually equip us to journey to other worlds. As a result of the Station s complexity, few understand its configuration, its design and component systems, or the complex operations required in its construction and operation. This book provides high-level insight into the ISS. The ISS is in orbit today, operating with a crew of three. Its assembly will continue through 2010. As the ISS grows, its capabilities will increase, thus requiring a larger crew. Currently, 16 countries are involved in this venture. The sophisticated procedures required in the Station's construction and operation are presented in Amazing 3D Graphics generated by NASA 104 pages of spectacularly detailed color graphics the Space Station as you've never seen it before!

Written by an expert dog whisperer and dog owner, the Hovawart Complete Owner's Manual has the answers you may need when researching this medium to large-sized working dog. Learn about this outstanding guardian and watchdog and find out whether or not the ancient German bred Hovie will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Hovawart's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a Hovawart, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony.
