NorthStar is an integrated, four-level series with two powerful strands. One focuses on developing listening and speaking skills, whilst the other focuses on reading and writing. The parallel books are linked at each level by theme, grammar and vocabulary.

Takes students through the writing process from generating ideas, drafting and revising, to proof-reading and editing. This work features guidelines, strategies, and practice in writing for academic success. It contains a short reading passage to spark students' interest and provide meaningful issues to write about.
