▢**ObamaCare Survival Guide on Apple Books**

Excellent analysis of ObamaCare. Short summary: Personal liberty is greatly infringed. Obama's goal to make sure every American has health insurance coupled with (1) elimination of preexisting conditions, (2) no dollar limitations on medical procedures, and (3) heavy federal subsidies for insurance coverage for those not able to pay will cause medical costs to skyrocket.

The ObamaCare Survival Guide helps Americans understand the intricacies of ObamaCare, and will serve as a valuable resource to those currently insured, those who are not, and the tens of millions of seniors, youth, business people and others who will be affected by the new law.

This new guide provides a more objective and less partisan easy-to-read guideline to the law than the highly advertised Nick Tate's ObamaCare Survival Guide --ObamaCare Facts On Tuesday October 1 2013, the Affordable Care Act's health insurance exchanges, or "marketplaces," opened for business. ... And what that means for millions of uninsured Americans is they'll need to start shopping or prepare to face a fine. But many are still left with some very basic questions. Primarily: What are the exchanges and how do they work? This collection gives you a more objective and less political easy-to-read guide to the law, helping readers understand the basics of the ObamaCare health care plan and bill, so you can decide for yourself what you think of ObamaCare, based on the facts and not the News Radio / TV opinions. It serves as a valuable resource for those currently insured, those who are not, and the tens of millions of seniors, youth, business people and others who will be affected by the new law.

The Patient Protection and Affordable Care Act is the most significant overhaul to health care industry in decades. It includes unprecedented reforms to the American health care system. The implementation of this new health care law, otherwise known as Obamacare is at the height of concern for many who still don't understand its implications. Among the sea of new information to sift through, there are also misconceptions about the expectations and implementations of this law. Whether you need health coverage or have it already you may be concerned about the new regulations and how they will affect you. Many low to middle income Americans will have access to more affordable health insurance but those making above 400% of the federal poverty will likely pay more. Although the law has been rolled out over several years, the most notable changes take effect in January of 2014. Included in these changes are rights and protections for you, the consumer. These protections, do not apply to every insurance policy equally. This guide is designed to help you navigate the changes in policies and the new requirements for individuals and businesses. We'll explain the changes being implemented and you'll discover if you qualify for reduced premiums, what will happen if you select not to purchase health care, and how to make compare plans and policies in your state.

Explores the intricacies of, and offers practical guidance on the Patient Protection and Affordable Care Act.

"Are you concerned about the changes ahead for healthcare? What do you find the most confusing about it? Are you afraid of the New Single Streamlined Health Insurance Application form, or do you think it'll be simple to use? Afraid of -- or just confused about -- the changes Obamacare may bring? Not to worry: Here's a truly quick, bottom-line guide to what's happening when, including what you need to do and what you don't need to worry about. Whether you are those currently insured, those who are not, and the tens of millions of seniors, youth, businesss people and others who will be affected by the new law, this new survival guide offers a wealth of unbiased reliable, reassuring information that will helps [sic] you take the first steps toward navigating your individual health plan." --From back cover.

Are you concerned about the changes ahead for healthcare? What do you find most confusing about it? Are you afraid of the New Single Streamlined Health Insurance Application form, or do you think it'll be simple to use?With over 900 pages and some 450 provisions, the Patient Protection and Affordable Care Act (otherwise known as Health Care Reform, or "Obamacare") is one of the most complex pieces of legislation ever signed into law. And although Obamacare has had a high profile throughout the past several years of political fights over health reform, that hasn't ensured that Americans understand what the law actually does. Even after three years, many Americans are still confused about Obamacare's specific provisions, and can't correctly identify what is and isn't in the health law according to the Kaiser Family Foundation's March 2013 tracking poll.Afraid of-or just confused about-the changes Obamacare may bring? Not to worry: Here's a truly quick, bottom-line guide to what's happening when, including what you need to do and what you don't need to worry about. Whether you are those currently insured, those who are not, and the tens of millions of seniors, youth, business people and others who will be affected by the new law, this NEW SURVIVAL GUIDE offers a wealth of unbiased reliable , reassuring information that will helps you take the first steps toward navigating your individual health plan.

As changes to our health care system are being implemented, many consumers, business owners, human resources professionals and insurance brokers are assessing what the Patient Protection and Affordable Care Act (PPACA), commonly known as health care reform, means for them. The new health law contains a number of provisions that are changing the rules of health care for consumers. This book provides easy-to-understand comparative information to help consumers make the best decisions in the marketplace.

Are you concerned about the changes ahead for healthcare? What do you find most confusing about it? Do you think you'll sign up for health insurance through an exchange this fall? Are you afraid of the New Single Streamlined Health Insurance Application form, or do you think it'll be simple to use? With over 900 pages and some 450 provisions, the Patient Protection and Affordable Care Act (otherwise known as Health Care Reform, or "Obamacare") is one of the most complex pieces of legislation ever signed into law. And although Obamacare has had a high profile throughout the past several years of political fights over health reform, that hasn't ensured that Americans understand what the law actually does. Even after three years, many Americans are still confused about Obamacare's specific provisions, and can't correctly identify what is and isn't in the health law according to the Kaiser Family Foundation's March 2013 tracking poll. But no matter where you stand on the issue, it's likely you're thinking, "Hello? I got some basic questions still unanswered here." And you deserve real answers, not the partisan rhetoric and spin we've been flooded with. So Afraid of-or just confused about-the changes Obamacare may bring? Not to worry: Here's a truly quick, bottom-line guide to what's happening when, including what you need to do and what you don't need to worry about. Whether you are those currently insured, those who are not, and the tens of millions of seniors, youth, business people and others who will be affected by the new law, this NEW SURVIVAL GUIDE offers a wealth of reliable , reassuring information that will helps you take the first steps toward navigating your individual health plan.

Do you feel like you understand the Affordable Care Act? What do you find most confusing about it? Are you afraid of the New Single Streamlined Health Insurance Application form, or do you think it'll be simple to use? With over 900 pages and some 450 provisions, the Patient Protection and Affordable Care Act (otherwise known as Health Care Reform, or "Obamacare") is one of the most complex pieces of legislation ever signed into law. And although Obamacare has had a high profile throughout the past several years of political fights over health reform, that hasn't ensured that Americans understand what the law actually does. This is not surprising, since mostly what the public has heard for three years is partisan bickering about the ObamaCare. But no matter where you stand on the issue, it's likely you're thinking, "Hello? I got some basic questions still unanswered here." And you deserve real answers, not the partisan rhetoric and spin we've been flooded with. So Afraid of-or just confused about-the changes Obamacare may bring? Not to worry: Here's a truly quick, bottom-line guide to what's happening when, including what you need to do and what you don't need to worry about. Whether you are those currently insured, those who are not, and the tens of millions of seniors, youth, business people and others who will be affected by the new law, this NEW SURVIVAL GUIDE offers a wealth of reliable , reassuring information that will helps you take the first steps toward navigating your individual health plan.

Preloaded 7-copy Counter Display. Congress passed it. President Obama signed it into law. The Supreme Court ruled it constitutional. Already President Obama's Patient Protection and Affordable Care Act -- also known as ObamaCare -- is becoming a reality with major provisions set to start soon. ObamaCare will affect every single American -- but few know precisely what the 2,700-page law says or how it will impact their lives.
