One Man's Wilderness: An Alaskan Odyssey is a book, first published in 1973, by Sam Keith, based on the journals and photography of Richard Proenneke who, in 1968, retreated to the wilderness of Twin Lakes in Lake Clark National Park, Alaska to build a home for himself and live alone in the wilderness. Proenneke says he turned his back on tedious 50-hour work weeks and moved to Alaska "to do a thing to completion."

In 1973, a friend compiled Proenneke's lengthy journals into a book titled, "One Man's Wilderness: An Alaskan Odyssey." Suddenly, he found fame. People from all over the world made the journey to Twin Lakes to seek him out. His home movies were turned into four one-hour documentaries, the first called, "Alone in the Wilderness." They show him at his survivalist best – chopping wood, wandering the mountains, living alone in a place where most people could not.

## Cabin Alone in the Alaskan Wilderness - Dick Proenneke ...

One Man's Wilderness is a memoir of Dick Proenneke's daily self-reliant life in the Twin Lakes area of Alaska. I am in no way a DIY'er, nor do I have any desire to live off the grid without today's modern conveniences, but I loved reading about the simplistic life that Dick lived during his time in Alaska. The book is based on Dick's dai
