In 2008, Rob Kosberg faced the biggest business test of his life. Like many others he had to start over after the financial crisis and build a business in the worst economy of our generation. He did this with his own bestselling book and has gone on to help thousands of other authors to replicate his success. In Publish, Promote, Profit, he tells you exactly how they are doing it. How some clients are earning over \$100,000 per month with their books, getting booked on massive stages, getting press and media on demand and becoming the hunted in their industries. Publish, Promote, Profit, explains the current self-publishing environment and covers the ins and outs of what it means to be an author, expert and thought leader in your field. Far beyond "how to self publish" or "book marketing" Publish, Promote, Profit, explains how to create compelling content quickly and become a true bestselling author even if you have no list, no following and no platform. It contains many real life examples and case studies of the successful systems his authors are using to attract an endless flow of leads, clients, speaking opportunities and media.

Have you ever dreamed of writing and publishing a book that's the sum total of your expertise with the ultimate goal of attracting paying clients...but it always seems too hard? You tell yourself, "It will take me years to do...how do I organize it, or even start to design a book cover?" You tell yourself you'll never be able to get it done, so why even try? NOT TRUE. In this revolutionary new book, Mike Koenigs takes your hand and leads you step-by-step through the same process that has helped over 300 of his clients write, publish, and profit from a book in as little as TWO weeks. Many of those authors are attracting paying clients, getting traffic, leads, product sales and speaking engagements. If you follow this process, this can and will work for you, too.

Authors are embracing the eBook opportunity at a phenomenal rate. Hundreds of new books are published each day that, sadly, will never be heard of again. Up until now the details of creating, formatting, publishing and promoting new books has not been available in one place. This book remedies that situation by providing new and experienced eBook authors the information they need to bring their manuscripts to market. Each phase of the process is detailed with clickable links to all the resources you will need without any additional fluff or hype. Just solid, actionable information without any marketing b.s. Don't pay \$1000 for a video course that will give you less information than you will find here in the first section. Are you getting increasingly frustrated trying to get your new eBook ready for market? Are you fed up with being told to publish PLR rubbish and make a fortune? This is the one book you will need if you are currently, or thinking of becoming, an eBook author. You owe it to yourself to read this book now.

UPDATED AND REVISED FOR 2020 Discover the most effective type of book for attracting new customers to your business! If you own or are part of a traditional small business that serves a local community (or you work with these types of business owners), this book is for you! What if you could discover a simple, easy and proven formula for writing a customer-attraction book that attracts new customers instead of having to pursue them? What if, rather than slaving months or years to write a traditional 250-page book, you could create a 100-page short, helpful book in just weeks? What if prospects and customers loved your book because it was focused and easy to read in about an hour? Imagine book readers reaching out to you (instead of you pursuing them) because your book made a connection with them. This is the promise of being a Main Street Author. Being an author is the key to being recognized as a significant, respected and valued expert and you can easily follow the step-by-step formula Mike Capuzzi shares in Main Street Author, which focuses on how to author, publish and leverage a short, helpful book or shook™. Shooks are focused books that can be read in about an hour and lead readers to connect with you and become a customer. For the past two decades, marketing expert and author, Mike Capuzzi, has helped thousands of business owners create more effective marketing, and world-renowned marketing strategist Dan Kennedy has called his techniques "brilliant." Inside Main Street Author you'll discover: The power of a shook and why readers will devour it, cover to cover. Why a shook is the best type of book you can create for your business. The different types of shooks to attract more customers, clients or patients. How to make your shook attract new customers 24/7. A proven, step-by-step formula for creating your own shook. Three, real-world Main Street Authors and their amazing success stories. BONUS: Free video training on how to design and print your shook. Before you think about writing a book for your business, invest an hour of your time and read Main Street Author. It's short on purpose and will open your eyes to a better, faster and easier type of customer-attraction book for you to create and for your potential customers to read.
