Modern Sri Lankan Tamils descend from residents of the Jaffna Kingdom, a former kingdom in the north of Sri Lanka and Vannimai chieftaincies from the east. According to the anthropological and archaeological evidence, Sri Lankan Tamils have a very long history in Sri Lanka and have lived on the island since at least around the 2nd century BCE. Although Sri Lankan Tamils are culturally and linguistically distinct, genetic studies indicate that they are closely related to the Sinhalese ethnic group.
