It may even be more surprising that they would be found in "The Lion King." For me though, the movie strikes me with truths that can be compared to the Bible and to God to my very core. 1. The beginning of the movie with "The Circle of Life"-the new life and celebration of the life of Simba, the new future king.

20 Ways The Lion King Relates To The Bible
Mostly for the toddlers, I set out a Lion King-themed sensory bin, with a variety of green pompoms as the base that one of the toddlers helped me sort from a giant bin of multi-coloured pompoms. We added one big orange pompom for the African Sun, and then a variety of soft and plastic animals and some plastic trees.

C. S. Lewis was a British author, lay theologian, and contemporary of J.R.R. Tolkien. The Lion, the Witch, and the Wardrobe is the first book in The Chronicles of Narnia.

A National Book Award nominee! Returning to the same era of his "In a Dark Wood", Cadnum's majestic novel--part mystery, part history--chronicles the pageantry and brutality of the Crusades under King Richard. Edmund, a young apprentice, is awaiting punishment as a counterfeiter when a knight intervenes on his behalf--and compels Edmund to join Richard Lionheart's forces in the Holy Land. There, amidst the savagery of the twelfth-century Crusades, Edmund learns both courage and compassion, and discovers that cruelty is sometimes considered the will of Heaven. Set in medieval England and the war-torn shores of the Middle East, Cadnum's tale weaves together a rich tapestry of storms at sea, the brutality of hand-to-hand combat, and one of the classic horse and lance battles in recorded history--the Battle of Arsuf.

A Study Guide for C.S. Lewis's "The Lion," excerpted from Gale's acclaimed Novels for Students.This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Novels for Students for all of your research needs.

Can God Entrust His Kingdom to You? Masculinity is in need of restoration. But how do you become the kind of man – the kind of king – to whom God can entrust his kingdom? In this six-session video Bible study, journey with Morgan into a process that helps men recover true courage and vulnerability. Curated and distilled over more than two decades, and mined from the lives of over seventy-five sages who have gone before us, Morgan shares what he discovered: an ancient and reliable path to restoring the heart of a man and becoming the kind of man who can wield power for good. The study includes video notes, group discussion questions, and between-session personal study for each session. Sessions include: Becoming Powerful Becoming a Son Becoming the Man You Were Born to Be Becoming a Generalist The Way of Becoming Becoming a King Designed for use with the Becoming a King Video Study (9780310115267), sold separately. Streaming video also available.

"Insecure siblings fighting for their parents. Attention; bickering spouses who can't stand to be together or apart; adultery and sexual experimentation; even the struggle to balance work and family: These are themes as much at home in our time as they were in the twelfth century. In James Goldman's classic play The Lion in Winter, domestic turmoil rises to an art form. Keenly self-aware and motivated as much by spite as by any sense of duty, Henry II and Eleanor of Aquitaine maneuver against each other to position their favorite son in line for succession. By imagining the inner lives of Henry, Eleanor, and their sons, John, Geoffrey, and Richard, Goldman created the quintessential drama of family strife and competing ambitions, a work that gives visceral, modern-day relevance to the intrigues of Angevin England"--Publisher description.

Everybody knows The Lion King, the story of a little cub that grows up to become the king of the Pride Lands. Few, however, know the story of how The Lion King came to be the king of all musicals. It is the highest-grossing show on Broadway, earning over 1.3 billion dollars at the box office. This book takes you on the journey that began with the modest idea of an animated movie about lions and hyenas. You'll see for yourself why this musical has played on every continent except Antarctica to more than ninety million people.

In the ancient world, something extraordinary happened when God's people gathered to worship him. It was more than just singing; it was time to fully embody praise to God for who he is and what he had done. In the Book of Psalms, there are seven Hebrew words that are translated into the English word "praise," each of which represents a different aspect of what it means to truly praise God. In this four-session video based Bible study (DVD/digital downloads sold separately), pastor Darren Whitehead shares insights on how to deepen your practice of praise by uncovering the true meaning behind each of these Hebrew words, and Chris Tomlin shares how those insights take shape in the stories behind many of his worship songs, including "How Great Is Our God," "Holy Is the Lord," "I Lift My Hands," and "Good Good Father." Whether for use in your small group or your own personal use, Holy Roar provides insight and encouragement to deepen your practice of praise. Follow along as Chris and Darren lead you to the throne room of God. Join their invitation. Become a part of the Holy Roar. This study guide includes video discussion questions, teaching notes, Bible exploration, and personal study and reflection materials for in-between sessions. Sessions include: The Shout of Praise The Posture of Praise The Songs of Praise The Expectation of Praise Designed for use with the Holy Roar Video Study (9780310098737), sold separately.

The Disney Musical: Critical Approaches on Stage and Screen is the first critical treatment of the corporation's hugely successful musicals both on screen and on the stage. Its 13 articles open up a new territory in the critical discussion of the Disney mega-musical, its gender, sexual and racial politics, outreach work and impact of stage, film and television adaptations. Covering early 20th century works such as the first full-length feature film Snow White and the Seven Dwarfs (1937), to The Lion King - Broadway's highest grossing production in history, and Frozen (2013), this edited collection offers a diverse range of theoretical engagements that will appeal to readers of film and media studies, musical theatre, cultural studies, and theatre and performance. The volume is divided into three sections to provide a contextual analysis of Disney's most famous musicals: · DISNEY MUSICALS: ON FILM · DISNEY ADAPTATIONS: ON STAGE AND BEYOND · DISNEY MUSICALS: GENDER AND RACE The first section employs film theory, semiotics and film music analysis to explore the animated works and their links to the musical theatre genre. The second section addresses various stage versions and considers Disney's outreach activities, cultural value and productions outside the Broadway theatrical arena. The final section focuses on issues of gender and race portraying representations of race, hetero-normativity, masculinity and femininity in Newsies, Frozen, High School Musical, Aladdin and The Jungle Book. The various chapters address these three aspects of the Disney Musical and offer new critical readings of a vast range of important works from the Disney musical cannon including Enchanted, Mary Poppins, Hunchback of Notre Dame, The Lion King and versions of musicals for television in the early 1990s and 2000s. The critical readings are detailed, open-minded and come to surprising conclusions about the nature of the Disney Musical and its impact.
